

Beauty/Solutions

Out, Damn Knot!

These leading detanglers ensure manes remain snarl-free.

1. Elixir reduces breakage while it tames static and flyaways. **Bain de Terre Green Meadow Instant Combing Detangler** baindeterre.com
2. Macadamia and argan oils along with quinoa extract and silk amino acids promote moisture and nourishment. **Macadamia Professional Weightless Moisture Leave-In Conditioning Mist** macadamiahair.com
3. Healing remedy nixes snags as it ensures ends remain in optimum condition. **Trissola Forever Ends Pro Treatment Split-End Sealer** trissola.com
4. Tonic turns up the volume while detangling via eucalyptus leaf and cinnamon bark extracts. **KMS California AddVolume Body Build Detangler** kmscalifornia.com
5. Oils of moringa, macadamia and orange peel combine with sage extract to provide a sensorial experience in addition to detangling. **Matrix Biolage ExquisiteOil Oil Crème Conditioner** mymatrixfamily.com
6. Lightweight mist incorporates a fresh papaya fragrance as it infuses locks with moisture. **TIGI S-factor Papaya Leave-In Moisture Spray** sfactorbytigi.com
7. A blend of light proteins and moisturizers increases slip as it protects strands from thermal and UV-ray damage. **UNITE 7Seconds Condition Leave In Detangler** unitehair.com
8. A wealth of oils staves off snarls as Trioxxy—a combo of keratin proteins—works to smooth. **Tibolli Moisture Lust Leave-In Spray** tibolli.com
9. Spritzer features strengthening Keravis and conditioning oils of camelia, coconut and olive. **Pureology Colour Fanatic Hair Treatment Spray** pureology.com

TIP!
Advise clients whose tresses tangle easily to rest heads on a silk pillowcase, which can assist in combating knots.
